Nomination Procedures

All AIA South Dakota current members are invited to submit for our 2022 Nominated Awards. The program information, Nomination Form, and Award Criteria are available on the AIA SD website, www.iasouthdakota.org

There is no limit to how many years a nominee may be submitted for an award; however, a recipient may receive a specific award only once. Awards are not given posthumously. Members of the current Design Awards Committee are not eligible to submit during their tenure.

There is no entry fee for nominations.

Nomination Deadline

All nominations must be received by AIA South Dakota by 5:00 p.m. on Friday, August 5, 2022. Nominations can be mailed in or submitted using a file sharing program such as Dropbox or We Transfer.

Nomination letters should be addressed to: Michelle Klobassa, AIA, Chair, Design Awards Committee

Email nominations to: angela@iasouthdakota.org

Nominator Responsibilities

The nominating member is responsible for the following:

- Preparation of the Nomination Form. Please ensure that materials are contained in a single PDF file, and they are delivered by the deadline
- Communication with the nominee and notification about the selected award recipient (s)
- Coordination of recipient attendance at the AIA SD Annual convention September 15th, 2022 in Sioux Falls, SD

South Dakota General Submittal Requirements

Information submitted should specifically demonstrate how the nominee's achievement, work, contributions, and experiences meet the purpose and criteria of the specific award.

- Each nomination must be submitted in electronic file format using PDF. Nomination materials are to be contained in a single PDF file in the order listed, and within the limits listed on the individual awards nomination guidelines.
- Digital images contained in the PDF file are to be of low resolution. The submittal PDF file must be smaller than 15MB; use of PDF Optimizer and the Save As feature of Adobe Acrobat Professional will help make the files compact without compromising integrity.
- Nominations can be submitted via email
- Include high resolution images as separate files (JPEG). Upon final selection, nominators and/or recipients will be contacted to provide additional high resolution images as needed.
- Black text on a light/white background is preferred. Provide succinct narratives and descriptive statements with images.
- Graphic timelines may be effective for some biographical information.
- Letter of support should be one page in length and explicit in their recommendation and reason for support.
- A page is considered to be one sided and 8.5" x 11"
- An optional item, such as a publication, as specifically allowed in the individual award guidelines, should be labeled and accompany the submission. The item may be reclaimed by the nominee after the award announcements.
